

Housing Inventory

HOUSING & NEIGHBORHOODS

Legend

Residential Density

- Commercial/Residential Mixed
- Low Density Residential (>2 acre lots)
- Medium Low Density Residential (1 to 2 acre lots)
- Medium Density Residential (1 to 1/4 acre lots)
- Medium High Density Residential (1/4 to 1/8 acre lots)
- High Density Residential (<1/8 acre lots)

The map depicts residential land use. No land uses other than residential are shown — including commercial, institutional, industrial, and protected land. No assumption can be drawn from the map about whether any of the non-colored areas are available for development.
