

Buildout Analysis

HOUSING & NEIGHBORHOODS

Legend

Land Use*

- Vacant Buildable Land
- Developed Land
- Areas without Public Water/Sewer

*Map shows vacant and developed land (using 2011 RIGIS Land Use data) where housing is as of right or by special use. Also shown is the former Zion Bible Institute site, designated as "Senior/Mixed-Use Village" on the Future Land Use Map. Areas shown in white are not developable due to environmental constraints, conservation easements, flood zone, zoning designations, etc.

0 4,000 8,000 Feet
