substance abuse prevention in the East Bay

# Theater IS Prevention

## PRELUDE TO A KISS

Join us November 17th at 7:30 pm  
2nd Story Theater, Warren

In this modern day "fairy tale," an uninvited guest turns a perfect wedding into a white-knuckled roller coaster ride of doubt and regret. For when the elderly "wedding crasher" kisses the bride, their souls exchange, leaving the brave but bewildered groom to reverse the curse armed only with the power of love.

Contact the BAY Team at 247-1900, ext. 316 to support local prevention efforts by purchasing tickets, donating a raffle prize, or buying advertisement space in the program booklet.

**Tickets \$25 - Raffle Prizes!**
