Their PowerPoint show will introduce you to Istanbul with its enormous bazaars and famous mosques, including the Blue Mosque and Hagia Sophia; Cappadocia, an area of cave dwellings, where Christians lived underground to escape persecution; Antalya, on the fertile southern coast and Ephesus, a huge city where the apostle Paul lived for three years. The trip also included several days on a gulet, a Turkish motor-sailing boat and a balloon ride over the weird Cappadocian landscape.

The Arm Chair Travel series is presented in collaboration with the Barrington Community School and takes place here at the Center, where refreshments will be served at each lecture. Please register in advance with the Center or the Community School. Cost: \$5.00
