## Press Release:

"Keep Kids Alive Drive 25 is the latest initiative from the Barrington Police Department to remind motorists to slow down in residential neighborhoods. Two FREE trash decals shown below will be given to any resident in an effort to reduce motor vehicle accidents and injuries.

It's that simple - get all citizens involved in sending out one or more of the "**Keep Kids Alive**" safety messages in order to create safer roadway environments for the benefit of pedestrians and cyclists of all ages, as well as motorists themselves.

Any resident who would like a free decal can pick them up at the Records Clerk's office at the Police Station or at the Department of Public Works from 7:30 AM to 3:30 PM. The decal should be placed in the middle of the trash can facing the flow of traffic.

The premise is simple; to get the "**Keep Kids Alive**" message out on the side of every trash can in Barrington at your curbside. "We welcome you to partner with us – through our local neighborhoods, homeowners association, trash haulers, businesses, schools, faith community or civic organizations" Chief John LaCross.
