- Building
- Mechanical
- Plumbing
- Electrical

ZONING

FY '12 ZB Approvals

- Dimensional
- Wetlands/Waterbody
- Special Use Permit

PLANNING

The Planning Office works closely with the Planning Board, TRC and other Boards and Commissions in town. Recent and ongoing projects include:

- Drainage and facility improvements at the Town Beach (drainage work to begin in spring 2013)
- A new park at Police Cove. Design underway. Construction anticipated in 2013, with funding from federal and State sources
- New sidewalks, bike racks and other improvements to enhance biking and pedestrian safety at / near Hampden Meadows School, Middle School and Primrose Hill School. Planning Office worked to secure more than \$500,000 from 3 federal grants to cover costs.
- Grant-funded improvements at Latham Park.
- Cost-saving energy-efficient projects throughout Town.

Planning Board meets the 1st Tuesday of each month
 Technical Review Committee meets the 2nd Thursday of each month
 Zoning Board meets the 3rd Thursday of each month
