*Principal Arterial* - A roadway carrying the major portion of longer distance trips through an area, generally serving the major movement of traffic not served by other roadways.

*Minor Arterial* - A roadway which forms the network of cross-travel within a community, generally serving shorter length trips and parallel to a principal arterial.

*Collector* - An auxiliary or through roadway which serves to collect and distribute traffic between arterials and local roadways.

*Local* - A roadway (street) which serves only to provide access to abutting properties.
