

EARTH & ARBOR Month 2022

Tree City USA has named Barrington one of 14 “Tree Cities” in Rhode Island, a program that stresses the importance of maintaining and planting new public trees. The Town Council recently issued a proclamation designating April 29th as “Arbor Day.”

April also is the time of the year when Earth Day (officially April 22nd) events are planned throughout the community.

Check out some of the activities happening. Let’s work together toward a more sustainable planet!

Community Tree Planting

PICKUP - SATURDAY, MAY 1, 2022

Two Barrington High School students have teamed up with Tree-Plenish to plant 500 trees all around Barrington! This goal is to help offset Barrington Middle School and Barrington High School’s paper usage. Saplings have been ordered, so keep an eye out for new trees as they are planted across Barrington.
